Reach for the stars
(Kudos is lost)
The space race
Man on the moon
(Won't tear me apart)
Your future

Curiosity staring out
In everyone's eyes
Discover lust?
We're innocent now
Deliver us
Ingenuity right now

Ingenuity right now
Ingenuity

Send out the sound
(Galactic collide)
Lightyears
A quest for the key
(The technology)
To transport us

Curiosity steers us out
Through everyone's eyes
Discover lust
We're innocent now
Deliver us
Ingenuity right now

Discover us
They're amateurs now
Deliver us
Ingenuity right now

Ingenuity right now x3

Discover us
We're innocent now
Deliver us

Ingenuity right now

Discover us
They're amateurs now
Deliver us
Ingenuity right now
