Reap the wild wind
Reap the wild wind

Reap the wild wind

A finger points to show a scene
Take my hand, take my hand
Another face where mine had been
Take my hand, take my hand
Another footstep where I once walked
Take my hand, take it all

You take my hand and give me your friendship
I'll take my time and send you my slow reply
Give me an inch and I'll make the best of it
Take all you want and leave all the rest to die

Reap the wild wind

A footprint haunts an empty floor
Take my hand, take my hand
A fading coat that I once wore
Take my hand, take my hand
Oh, desolation where I once lived

I have seen in times gone by
I have felt a different shadow on the wall
A stranglehold on a certain feeling

You take my hand and give me your friendship
I'll take my time and send you my slow reply
Give me an inch and I'll make the best of it
Take all you want and leave all the rest to die

Reap the wild wind
Reap the wild wind

You take my hand and give me your friendship
I'll take my time and send you my slow reply
Give me an inch and I'll make the best of it
Take all you want and leave all the rest to die

Reap the wild wind
