No reply, I'm trying hard  
To somehow frame a reply  
Pictures I've got, pictures  
And I run them in my head  
When I can't sleep at night

Looking out at a white world and the moon  
I feel a soft exchange taking place  
Merging with the people on the page  
Blurring my face and conversation

Slow motion  
Slow motion

Hush, can you feel the trees so far away?  
Hush, can you feel the breeze of another day?

When we held each other close in the night  
While we wheeled away in our own light  
Stepping sideways into our own time  
Such a simple way

Slow motion  
Slow motion

And we held each other close in the night  
While we wheeled away in our own light  
And some of us found another time  
And drifted away

Slow motion  
Slow motion
