So you think it's over  
So you think that down's the only way out  
A sad excuse for lovers  
With your head held high and your heart still full of  
doubt

It's just like you to scorn  
The only one who'll mourn  
The day he doesn't love you

When the time comes, I'll cry  
On the day that you cut the thread  
When my heart tears, I'll cry

So you gave up giving  
And you sit and smile when the awkward silence falls  
Deny the life you're living  
Just a fleeting love that you only half recall

It's just like you to make  
A passion turned to hate  
The day he doesn't love you

When the time comes, I'll cry  
On the day that you cut the thread  
When my heart tears, I'll cry

Still we're here together  
Feeling helpless as our heaven turns to hell  
The taker and the giver  
Washed in anger when we think how far we fell

It's just like you to take  
The step than makes the break  
The day he doesn't love you

When the time comes, I'll cry  
When the time comes, I'll cry  
When the time comes, I'll cry  
When the time comes, I'll cry

Cry, cry, cry
