(Donald Fagen)

After the crash when you're  
Strolling thru the ruins alone  
Pick up the phone  
When you feel twisted, honey,  
I'm listed  
Confide in me, confide in me

Got no degree  
But I'm strong on tears and  
Careless hearts, brave new starts  
You know I'm a big fan and  
I got a program  
If you'll just confide in me

We'll sit in my kitchen babe,  
Drink lotsa coffee babe  
You'll begin just where you left off  
And you can tell how high  
You flew and how you fell  
And I'll make your landing soft

My place is cute  
And it's kind of comfortable  
In a storm, safe and warm  
We'll throw open the nighttime  
And let in the sunshine  
If you'll just confide in me,  
Just confide in me

Yes I'm strong on careless hearts  
I'm strong on brave new starts  
Confide in me, I'll hold your hand  
Confide in me, I'll understand  
You say you've slipped,  
Made a mistake  
Confide in me, for goodness sakes
