Rosie got religion

Learned it on the farm

Got to New York City, lined a (censored out) in her arm

Got to New York City, Leroy led the way

Made her somethin' special doin' business on

Broadway

One more time around Rosie

Hey I'm tuggin' on your sleeve

Won't you give me just

One more time around Rosie

The bus for Cincinnati gettin' ready to leave

Out from Redfield South Dakota

All her friends went to LA

Guess her mama never told her she shoulda flown the
other way

'Cause Aunt Betty drive a Cobra up and down the
Sunset Strip

In the same old nasty business, but there's cowboys in
her...

Yeah gimme

One more time around Rosie

Yeah, let my... go, yeah

Won't you give me just

One more time around Rosie

One more time please kindly take it slow

One more time around Rosie

Slap me right between the eyes

Won't you give me just one more time around Rosie

Lift me up and slap me with your thighs

I hear Leroy livin' good now

Reads the daily news, drives an eight track El Dorado

Sportin' high Italian shoes

He owes it all to Rosie

Who's the shoes that coin them uptown hotel movies

That made that little Brownie a star

Yeah one more time around Rosie
I'm the one who likes it upside down
Won't you give me
Just one more time around Rosie
Your favorite boy from Muncie's back in town
