Ahh  
Oh yeah, oh yeah  
Oo, listen to me

I ain't got time to think about money  
Or what it can buy  
And I ain't got time to sit down and wonder  
What makes the birdies fly

And I don't have the time to think about  
What makes the flowers grow  
And I never give it a second thought  
To where the rivers flow

Too busy thinking about my baby  
Whoa, I ain't got time for nothin' else  
No, too busy thinking about my baby  
Whoa, I ain't got time for nothin' else  
Oh no

I ain't got time to discuss the weather  
Or how long it's gonna last  
And I ain't got time to do no studying  
Once I get out of class

Well, people tell ya  
I'm just a fellow, I got a one track mind  
And when it comes to thinking about  
Anything but my baby  
I just don't have the time

Too busy thinking about my baby  
Ah no no, I ain't got time for nothin' else  
Don't you know I'm busy thinking about my baby  
Oh no no, I ain't got time for nothin' else  
Oo, oo

All the diamonds and pearls in the world  
Could never match her worth  
And she's some kind of wonderful, people tell you  
I've got heaven right here on earth

I'm just a fellow with a one track mind  
And when it comes to thinking about  
Anything but my baby  
I just don't have the time

Too busy thinking about my baby  
Ah no, whoa, I ain't got time for nothin' else  
Don't you know I'm busy thinking about my baby  
Oh no no, you know I ain't got time for nothin' else

Too busy thinking about my baby  
I ain't got time for nothin' else, no more  
Too busy thinking about my baby  
I ain't got time for nothin' else, no more

'Cause I'm too busy thinking about my baby  
Whoa, I ain't got time for nothin' else  
Don't you know I'm too busy thinking about my baby  
Whoa, you know I ain't got time for nothin' else

Too busy thinking about my baby  
I ain't got time for nothin' else, no more  
Too busy thinking about my baby  
I ain't got time for nothin' else, no more
