So black, it's a desperate night
20 years back from today.
One mother and a kid named Tony
Learning life the hardest way,
And I said aah aah
Well, daddy has gone too soon,
Aah aah, for the young boy to stay cool.
Well Tony rules in the schoolyard, yeah, everybody say.
Blue eyes, clenched fists, many reasons
For Tony to go astray, yeah.
At night he likes to roam,
He's the only man at home.

Laa la la la la la...

His heart is big like a mansion
That is all you need to know.
The young boy has become a young man,
But the rage didn't cease to grow.
Hey boy, the path you are taking
Will lead you straight to the wall.
Hey boy, you're looking for trouble,
I'm a policeman after all,
And you won't get away.
Ooh, bang bang !
I've got you on sight, my friend, ooh ooh.

Laa la la la la la...

Mister officer you were right, come on!
Little Tony boy turned out bad.
He was taught life's a fight.
Bang bang, they shot him down, he's dead!
I know that's a real a shame,
But this is how the story ends.
It's a beautiful world we do live in
So his fate is in your hand and I say,
Press 1 if you want him out,
Press 2 and he's back again.

Laa la la la la la...

Little Tony turn out bad!

Laa la la la la la...

Ooooh noo nooo, oooooh.
