1st Verse

She know what to do I on the bed side
Hop up in my ride and let her take a test drive
LetÂ's ride, Yeah LetÂ's ride
She switching gears damn I like her sex drive
I make her wet her man leave her dry
I donÂ't love em I just pass them to the next guy

They just want me for whatÂ's up in my pockets
So I donÂ't trust em nah
CanÂ't get her off of me
Tell her bend that thing over say get off of me
I can tell that you want it the way you hop up on it
All that assÂ... All that assÂ... Let me see you act a
donkey now
Say you love me then well show me how
Do all the that you was talking bout
DonÂ't talk about itÂ... Be about itÂ...
Jump up in it head first and work my way down to the

body (Huh)

Just one night after that we threw
I just can't get enough swear it's like DÃ©jÃ vu

2nd Verse

I love the way she drop it to the floor
I love the way she pop it and get low
She want some mo some some some mo
I love the way she bring it back and come back for
some mo
Make me say yeah yeah I ask her do she like it
She say hell yeah hell yeah
I'm in it all night I'll be driving in that
Like I'm swimming for my life
She say she want a thug I ain't looking for no wife
Trying to get you out this club to bring some
excitement to your life
I don't want to hear about you in love saying you've
found Mr. Right
All I need to know is that you're down for the night
Is you down for the night that dress you looking right
Your looking tight
You going to make me throw my check up
I'm your doctor come get a check up
Couple more shots you know where you're going to
end up

She been ran threw I ain't got no love for you
Just one night after that we threw
I just can't get enough swear it's like DÃ©jÃ vu
Now I got her stuck she don't know what to do...
