MANIC RAGE

SOCIETY

Watch the news
Somebody killed a baby
They left the body in a dustbin
Watch the news
Somebody raped an old lady
They left her dazed and drugged
And look where society's at
What you gonna do?
Look where society's got
And there's nothing you can do
'Cos this country is screwed
Oh, society
We're what you fear
What you don't wanna here
Screw society
And screw Britannia
Screw Britannia

Watch the news
The government has lied again
What's the truth?
The Hutten enquiry
Fuck society
The upper class are fucking twats
The government has failed
Nothing will change
'Cos this world runs on hate
And I don't wanna be here anyway
No, I don't wanna be here anyway
So Screw society
You'll fear me when you hear me
Screw society
'Cos this is the truth
Britain is screwed
And there is nothing you can do
No there's nothing you can do
There's nothing you can do
There's nothing you can do
HA HA HA HA!
