(plate 4)

All bibles or sacred codes have been the causes of the following errors:

1. that man has two real existing principles: viz: a body & a soul
2. that energy call'd evil is alone from the body,& that reason, call'd good, is alone from the soul.
3. that God will torment man in eternity for following his energies.

But following contraries to these are true:

1. man has no body distinct from his soul; for that call'd body is a portion of soul discern'd by the five senses, the chief inlets of soul in this age.
2. energy is the only life and is from the body and reason is the bound and outward circumference of energy.
3. energy is eternal delight.

(plates 5-6)

Those who restrain desire, do so because theirs is weak enough to be restrained; and the restrainer or reason usurps its place & governs the unwilling. And being restrain'd, it by degrees becomes passive, till it is only the shadow of desire. The history of this is written in Paradise

Lost,& the governor or reason is call'd Messiah. and the original

Archangel, or possessor of the command of heavenly host, is call'd the

Devil or Satan, and his children are call'd Sin & Death.

But in the book

of Job, Milton's Messiah is call'd Satan. For this history has been

adopted by both parties. It indeed appear'd to reason as if desire was

cast out, but the Devil's account is, that the Messiah fell & formed a

heaven of what He stole from the abyss. This is shewn

in the gospel, where
He prays to the Father to send the comforter, or desire,
that reason may
have ideas to build on, the Jehovah of the bible being
no other than (the
Devil den). he who dwells in flaming fire, know that
after Christ's
death, he became Jehovah. But in Milton, the father is
destiny, the son, a
ratio of the five senses,& the holy-ghost, vacuum!
Note: the reason
Milton wrote in ferrets when he wrote of angels & God.
And at liberty when
of devils & hell, is because he was a true poet and of
the Devil's party
without knowing it.
