An angel's smile is what you sell
You promise me heaven then put me trough hell
Chains of love,got a hold on me
When passion's a prison yoy can't break free

You're a loaded gun... yeah
There's nowhere to run
No one can save me,the damage is done

Shote trough the heart,and you're to blame
You give love a bad name
You give love a bad name

You paint your smile on your lips
Blood red nails on your fingertips
A schoolboy's dream,youact so shy
Your very first kiss was your first kiss goodbye

You're a loaded gun
There's nowhere to run
No one can save me,the damage is done

Shot trough the heart,and yo're to blame
You give love a bad name
You give love.....

Shot trough the heart,and yo're to blame
You give love a bad name
I play my part and you play your game
You give love a bad name

Shot trough the heart,and yo're to blame
You give love a bad name
I play my part and you play your game
You give love a bad name

You give love....
You give love a bad name
You give love....

You give love a bad name

You give love....
You give love a bad name
