you stare your rebellious stare
my heart beats
can't deny the chemistry is there

However I have believed to move on
My mind races you look good in that thong

(chorus) I am over you
my heart had a spot
now it's just a hole that's burned through
catch the light
the hopeless glimmer in your eyes
not a need to fight back
leave me alone to just
stroke a cat

I can sense the jealousy
the need to be where you want to be

However follow the directions leading you away from
my heart

(chorus)
I can tell that you want me back
but darling I am stroking a cat
repeat 3 times

Stroking a cat
follow the directions that are
