Woah Woah Oh Oh Yea
I need you like yesterday
I need you like yesterday

Hey little shawty i've been thinking about you, about
you
I got this brand on my heart and it hurts more being
without you, without you

Pre Chorus:

There's girls all around me but don't i see no one
When it comes to you i got tunnel vision
And i don't feel nothing if it ain't your touch
Don't you think it's better to long ..

Chorus:

I need your love like yesterday
Right now i need you like yesterday
I need your love like yesterday
Right now i need you love like yesterday

I gotta be the one you run to promise i'll keep you
smiling smiling
Its something like the .. 10 Carat Diamond .
. you're a star baby we could be shining
We should be shining

Pre Chorus:

There's girls all around me but i don't see no one
When it comes to you i got tunnel vision
And i don't feel nothing if it ain't your touch
Don't you think it's better to long ..

Chorus:

I need your love like yesterday
Right now i need you like yesterday
I need your love like yesterday
Right now i need you love like yesterday
I need your love like yesterday
Right now i need you like yesterday

In my arms is right here where you belong ...
I won't stop for nothing till i get you home ..
Like yesterday cause i need you right away
I know that you still love me

[Chorus:]
