Wop ba-dooba-do wop-wop-wop  
Waa-op wa-dooba-do wop-wop-wop  
Waa-op wa-dooba-do wop-wop-wop  
Waa-op wa-dooba-do wop-wop-wop wo-op

Sweet Mary sent a letter to me  
She say to "Hurry home  
I need you right away.  
I've got a stomach full of love  
And I'm all alone  
All of the day"

Sweet Mary I'm coming home  
Coming home to you, hey-ey!  
Sweet Mary I'm coming home now  
That's the least I can do.

Sweet Mary in that letter to me  
She said "It's up to you  
I need you right away"  
And now I got to hop a freight  
Back to the farm and all  
I've got to be

Sweet Mary I'm coming home  
Coming home to you, yeah-hey.  
Sweet Mary I'm coming home now  
That's the least I can do, babe

Chickie-chickie-chickie to hop a freight  
Chickie-chickie-chickie to hop a freight  
Chickie-chickie Mary I'm coming home  
Baby I'm coming

Chickie-chickie-chickie to hop a freight  
Chickie-chickie-chickie to hop a freight  
Chickie-chickie Mary I'm coming home

Wop ba-dooba-do wop-wop-wop  
Waa-op wa-dooba-do wop-wop-wop  
Waa-op wa-dooba-do wop-wop-wop

Waa-op wa-dooba-do wop. Oh yeah, baby.

Sweet Mary has a smile on her face  
You know she's happy to see me wrap her in an  
embrace  
I only hope that the passing of time  
She'll always feel that way  
And I won't pack up my things

Sweet Mary I'm coming home  
Coming home to you, yeah, hey  
Sweet Mary I'm coming home now  
That's the least I can do. Hey

Chickie-chickie-chickie to hop a freight  
Chickie-chickie-chickie to hop a freight  
Chickie-chickie Mary I'm coming home  
Well, Mary I'm coming

Chickie-chickie-chickie to hop a freight  
Chickie-chickie-chickie to hop a freight  
Chickie-chickie Mary I'm coming home  
Home, Mary I'm coming
