I'm worried about you
but I don't have a clue
Of why you need me
am I the exit of your labyrinth?

After all you put me through
the coin shows a new face.
Is this really the truth?
I have power over you.

CHORUS

Beg me to help you
beg me to love you
Meanwhile I'll watch how your life falls to pieces
Beg me to hurt you
beg me to kill you
Meanwhile I'll watch how your life falls to pieces.

Victory tastes good
but revenge tastes better
Your heart is in my hand
your answers in my mind

Now I'm the one laughing
I'm the one enjoying
It's what you craved for
you finally have it.

CHORUS

Beg me to help you
beg me to love you
Meanwhile I'll watch how your life falls to pieces
Beg me to hurt you
beg me to kill you
Meanwhile I'll watch how your life falls to pieces.

I stayed awake at night
wanting you by my side
You are alone
I can't stop watching your fall

CHORUS

Beg me to help you

beg me to love you

Meanwhile I'll watch how your life falls to pieces

Beg me to hurt you

beg me to kill you

Meanwhile I'll watch how your life falls to pieces.

'Cause now that I'm free I want you to feel pain.
