Every time I think in you I feel something I don't
understand
There's no pain if you are around.
If you are not with me I feel like I am drowning in sand
I don't want this anymore. I can't quit it, it's my drug.

CHORUS

'Cause I'm obsessed with you
in my head there's no other picture but your face.
'Cause I'm dying in my room,
waiting for a call or any kind of sign.
'Cause I'm obsessed with you
in my head there's no other picture but your face.
'Cause I'm dying in my room,
But it seems that you don't really care for me.

I know you have a life to attend and you're busy with
things that you really care.
I don't know if I'm one of them, even tough I feel that
you want me to stay.
And I don't want this anymore. I can't quit it, it's my
drug.
And I don't want this anymore. I can't quit it, it's my
drug.

CHORUS

'Cause I'm obsessed with you
in my head there's no other picture but your face.
'Cause I'm dying in my room,
waiting for a call or any kind of sign.
'Cause I'm obsessed with you
in my head there's no other picture but your face.
'Cause I'm dying in my room,
But it seems that you don't really care for me.

I'm so tired of expecting that you're gonna look for me.
I don't want you in my head, but you won't go away.

CHORUS

'Cause I'm obsessed with you
in my head there's no other picture but your face.

'Cause I'm dying in my room,
waiting for a call or any kind of sign.
'Cause I'm obsessed with you
in my head there's no other picture but your face.
'Cause I'm dying in my room,
But it seems that you don't really care for me. (X2)
