"Nothing Personal"

I lived in two realities, pretending to be in one big
fantasy
I've lost my vitality; I am trapped on my own agony.
I lived in two worlds, each with differences and pros
And even tough I loved both; my heart has chosen a
home.

CHORUS

It's nothing personal, just adaptation
No rational thoughts, just random emotions
I always knew that I was meant to be more.
It's nothing personal, just adaptation
No rational thoughts, just random emotions
Now I am really on the road.

People are cruel, they like to judge
It's always easier to just wear your clothes
The ones who love me are in my soul
The ones who attack me are in my butt.

CHORUS

It's nothing personal, just adaptation
No rational thoughts, just random emotions
I always knew that I was meant to be more.
It's nothing personal, just adaptation
No rational thoughts, just random emotions
I always knew that I was meant to be more.

I have myself and that's enough
I know my friends, they play their roles
I wanna help my two frantic worlds
I can't stay and watch how they get burned.

CHORUS

It's nothing personal, just adaptation
No rational thoughts, just random emotions
I always knew that I was meant to be more.
It's nothing personal, just adaptation
No rational thoughts, just random emotions
Now I am really on the road.

It's nothing personal, just adaptation
No rational thoughts, just random emotions
I always knew that I was meant to be more.
It's nothing personal, just adaptation
No rational thoughts, just random emotions
Now I am really on the road.
