Hey love, whatcha say to your crew?  
Can you come and let me see what you gonna do?  
Can I do the thing what I do to you?  
But I let 'em know that isn't cool

(Hey love)  
Hey love, you got 'em all outta pocket  
You make me wanna think about pluggin' up the socket  
You won't believe all the things they say  
Especially when you're gone away

Baby, they keep on tellin' me that  
They want me to come over and hit it from the back  
Betcha didn't know that your girl was like that  
Straight up do your man right behind your back stack

They keep on playin' me close  
Talk about when I plan on letting you go  
You need to your girlfriends that's for sure  
Let 'em know, let 'em know, I ain't jokin' around

Hey baby, you must be tellin' your friends  
About me  
'Cause they keep tryin' to get at me  
Just a little bit too friendly

Hey baby, you must be tellin' your friends  
About me  
'Cause they keep tryin' to get at me  
Just a little bit too friendly

Hey love, they're comin' at me crazy  
Your best friend told me that she wanna have my baby  
But I let her know now that's okay  
'Cause you're the only one for me

(Hey love)  
Hey love, tell me what you said  
She keeps tryin' to do me like she want me real bad  
Tryin' so hard to get in my bed  
I guess she wants to nod her head

They keep on tellin' me that  
They want me to come over a hit it from the back  
Betcha didn't know you're girl was like that  
Straight up do your man right behind your back

They keep on playin' me close  
Talk about when I plannin' on letting you go  
You need to check your girlfriends, that's for sure  
Let 'em know, let 'em know, I ain't jokin' around

Hey baby, you must be tellin' your friends  
About me  
'Cause they keep tryin' to get at me  
Just a little bit too friendly

Hey baby, you must be tellin' your friends  
About me  
'Cause they keep tryin' to get at me  
Just a little bit too friendly

Hey baby, you must be tellin' your friends  
About me  
'Cause they keep tryin' to get at me  
Just a little bit too friendly

Hey baby, you must be tellin' your friends  
About me  
'Cause they keep tryin' to get at me  
Just a little bit too friendly

Why your girlfriends always comin' around me?  
They're gettin' too close, much too friendly  
Why your girlfriends always comin' around me?  
They a little too close, too friendly

Hey baby, you must be tellin' your friends  
About me  
'Cause they keep tryin' to get at me  
Just a little bit too friendly

Hey baby, you must be tellin' your friends  
About me  
'Cause they keep tryin' to get at me  
Just a little bit too friendly

Hey baby, you must be tellin' your friends  
About me  
'Cause they keep tryin' to get at me  
Just a little bit too friendly

Hey baby, you must be tellin' your friends  
About me  
'Cause they keep tryin' to get at me  
Just a little bit too friendly  
?
