There's no time to stay, 'cuz, it's all figured out  
There's no time to look another way  
'Cuz, if you want to know, it's all figured out  
Thoughts inside my head are gonna stay  
Love's inside my head, have gone away

Left my hardest day underneath this house  
Underneath this house, what's inside is gone  
Although should I say, it was never there  
But I don't care and I don't care  
Left my hardest day underneath this house  
If you [Incomprehensible]

There's no hidden file, there's no missin' note  
There's no time to put it on display  
And if you want to go, you could never leave  
The world's a miss of opportunity  
And all I've ever know is ours to take

Left my hardest day underneath this house  
Underneath this house, what's inside is gone  
Although should I say, it was never there  
But I don't care and I don't care  
Left my hardest day underneath this house  
Underneath this house, underneath this house

Left my hardest day underneath this house  
But I don't care and I care  
Left my hardest day underneath this house  
If you wanna give another way
