It's just beyond my reach
So unattainable
The mind is hungering
And so insatiable
And now I'm suffering
So weak and unstable
I hear the silent screams
Of my temporary soul

The world is so diseased
And we're all a part
And I can hardly breathe
With such an empty heart
It lives inside of me
It lives inside of you
Inside I've got the piece
That fits into the scar

I, feel the pain rush to my every limb
I, feel the nails touch down and pierce the skin
I, see the cross I bear until the end
I, see the crimson stains that cover sin

Somethings not right, I know you feel it too
The blind leads the blind,
I'm on the verge of a breakdown
I'm on the edge of a breakthrough

Can you feel it?
Can can you feel it?
Can you feel it too?

Can you feel it?
Can can you feel it?
Can you feel it too?

Can you feel it?
Can can you feel it?
Can you feel it too?

Can you feel it?

Can you feel it?
Can you feel it too?

In my life I am a stranger
I'm locked inside my dreams
Everyday I feel the danger
Cuz nothing's what it seems

In my life I am a stranger
I'm locked inside my dreams
Everyday I feel the danger

Can you feel it?
Can can you feel it?
Can you feel it too?

Can you feel it?
Can can you feel it?
Can you feel it too?

Can you feel it?
Can can you feel it?
Can you feel it too?

Can you feel it?
Can you feel it?
Can you feel it too?
