Bright lights, big city
All night, are you ready
Cat Fight, what a pity
Sex hype, nitty gritty

You are the one that I am pointing to,
Come here and give me some

Mouse trap, on your body
Groupies, in the lobby
Cold Cash, In your pocket
Cool Vibes, in your socket

Open the lock to my bedroom door
See what its all about

Long drives on the freeway
Cop Lights in your driveway
Long rides on the airway
All night on the runway

Long drives on the freeway
Cop Lights in your driveway
Long rides on the airway
All night on the runway

This is the chance i've been waiting for
Better get out of my way

Cab ride to the whiskey
Blue ice make you frisky
Strobe light on your body
All night eatin sushi

Someday you'll know ill be wantin more
More than the streets can put out

Bright lights, Big City
All night, are you ready
Cat Fight, what a pity
Sex hype, nitty gritty

You've got the strut I've been dreamin' about
Cuttin' the crowd like some bread
