"Death To Life"

The face of the abyss,
Open wide it's mouth.
Swallow the heavens,
And all existence within.
Bring a plague,
Upon this world
Bring forth a burning death!

Death to life!
Devour the earth,
And burn the stars!
Death to life!

Bring forth eternal darkness!

Chaos water from the deep,
Ascend with hateful breadth.
Drown the reign of man!
With black boiling blood!
Stab the womb of life,
With burning spears of darkness!

Awake the king of... !
Light!

Face of the abyss,
Open wide it's mouth.
Swallow the heavens,
And drown the reign of man!
Bring a plague,
Upon this world
Bring forth a burning death!

Death to life!
The great darkness devours the light!
Death to life!
Turn the... 's creation to ashes!
Extinguish his faith!
... with thy dragon wings!

Death to life!
