I drink this wine,
The grapes of death.
The black blood of venomous evil
The progenitor of black light
Hear these words,
That I speak to Thee in.
The echoing words of the nation.
And this world lies dead!

Eyes of darkness
... of death
Voice of triumph
Tongue of decay

Break the bonds of flesh and blood
Burning visions dwindle life
Feel their firestorm burn,
Burn me to the end!

Lord of darkness,
Breeze of death.
Illuminate me... might (night).
Raise me now,
Wings of flame.
Make me now into,
The endless beyond.

As I enter,
Where no light dare.
Dancing in ecstasy
Shouting at dogs

As I enter,
Where no light dwells.
Burning as I fall.
Shouting in (at) glory.
Shouting in (at) glory

Break the bonds of flesh and blood
Burning visions dwindle life
Feel their firestorm burn,

Burn me to the end!

I drink this wine,
The grapes of death.
The black blood of venomous evil
The founder of black light
Hear these words,
That I speak to thee in.
The echoing words of the nation.
And this world lies dead!
