I would shine on shoes, to take care of you, if I had to  
Ain't nothing I won't do, even bend all rules,  
If it pleased you  
And I would shine shoes, my love  
Do anything for you, my love  
And I would shine shoes for the chance to be with you

Was raised by a strong man, believe in family  
You taught me right from wrong,  
To swallow my pride and show humility  
Work from 5 am 6 days a week was enough...  
but we had food to eat  
So I know that  
There's nothing I can't go through

So I would shine on shoes, to take care of you, if I had  
to  
Ain't nothing I won't do, even bend all rules,  
If it pleased you  
And I would shine shoes, my love  
Do anything for you, my love  
And I would shine shoes for the chance to be with you

We come from the same street, so you already knew  
Where I was coming from, and you showed me a world  
that I never knew  
And I ... your eyes, but when you have to be  
And stand your ground, never... from me  
So without you, I don't know what I would do

So I would shine on shoes, to take care of you, if I had  
to  
Ain't nothing I won't do, even bend all rules,  
If it pleased you  
And I would shine shoes, my love  
Do anything for you, my love  
And I would shine shoes for the chance to be with you

Now baby think of all the times we wasted thinking at it  
Cause when it happens, it just happens, ain't no doubt  
about it

You and me against the world, makes me wanna shout  
it

And I would shine shoes  
Ain't nothing I won't do  
So I would shine on shoes, to take care of you, if I had  
to  
Ain't nothing I won't do, even bend all rules,  
If it pleased you  
And I would shine shoes, my love  
Do anything for you, my love  
And I would shine shoes for the chance to be with you
