I'm sitting here  
And I'm waiting patiently  
For the clock to turn  
It's not all that fast today

So I'm on my own  
But I know I'm not alone  
I'll be witnessing  
A happy ending

chorus

I'm sitting here in silence  
I'm waiting here patiently  
And I'm wondering  
if you're waiting too  
I'm sitting here alone now  
And I'm waiting here on my own  
I'm wondering  
If you're waiting for me too

I'm watching now  
And I'm seeing  
others as they pass me by  
It's not a pretty sight  
But it will be someday

And it's not that I  
It's not that I'm afraid of losing you  
I'm afraid of me  
And what my choices might do

chorus

All the time I seem to wonder  
How all this is gonna end  
Will you stay with me forever and  
Tell me that you'll never go away

chorus
