Tere pyar ka main aadi hun-aadi hun yaar
Tu meri, main tera, dekhe saara-saara zamana (2X)
Maana-maana mene, jaana jrrrrrr aana

Speed meri ride ki 240
My girl says me habibi you're so naughty
Hey! hotty my colour is brown,
Tujhay aur kya bataon tujhay pyar se bulaon
Meri jaan-e-jaana mera to sab kuch hai tera
Dil bhi yahan lekin na raha hai mera
Door na jaana mujhse tu kabhi bhi
Yallah yallah yall-yallah habibi
Hasde zara, karle pyar tu zara
Banja meri ye izhar hai mera
Raat ki raani banja meri dawaani
Khoja meri ankhon main banjayegi kahani
Tera mera afsana to sasion se purana
Jo hojayein aik to sab ko batlana
Jaaneman intezaar kar raha hun main abhi bhi
Yallah yallah yall-yallah habibi

Tere pyar ka main aadi hun-aadi hun yaar
Tu meri, main tera, dekhe saara-saara zamana (2X)
Maana-maana mene, jaana jrrrrrr aana

Kesa nasha ye kesa dhuaan hai
Teri har adaa kyun sab se numaa hai
Dua hai-dua hai, tujhay ab kya hua hai?
Chorde sharmana tujhay pyar he hua hai
Kesa hai zamana koi dekhta nahin
Koi dekh bhi to le lekin batata nahin
Tujhay khuda ka wasta aray o bibi
Yalla yalla yalla yalla yalla habibi
Cheena tune mera chain ye tune kya kardia
Dekhtay he dekhtay mujh main pyar tune bhardia
Mardia teri ek pyari se nazar ne
Ane de mujhay pas betha hun seher se
pyar ka hun raahi aur manzil kareeb hai
aaja tu bhi paas mujhay pyaas bhi shadid hai
karta hun pyar tujhay main abhi bhi
Yalla yalla yalla yalla yalla habibi

Tere pyar ka main aadi hun-aadi hun yaar
Tu meri, main tera, dekhe saara-saara zamana (2X)
Maana-maana mene, jaana jrrrrrr aana

Tere pyar ka main aadi hun-aadi hun yaar
Tu meri, main tera, dekhe saara-saara zamana (2X)
Maana-maana mene, jaana jrrrrrr aana
