Hearts go astray, leaving hurt when they go
just when you needed me so
Filled with regret, i come
back, begging you
Won't you forget, where's the love
we once knew

Open up your eyes, then you'll realise
Here i stand with
my everlasting love
Need you by my side, girl to be my
bride
You'll never be denied everlasting love
>From the
very start, open up your heart
Be a lasting part of
everlasting love

Look in my eyes - See my love burning strong
No more goodbyes - In your arms I belong
Our time has come - All my dreams have come true
Two hearts as one - Loving me loving you
Where life's river flows, no one really knows
Till
someone's there to show the way to lasting love
Like the
sun that shines, endlessly it shines
You always will be
mine, it's eternal love
When other love was wrong, ours
will still be strong
We have our very own everlasting
love
