Where do I begin to tell the story of how great a love  
can be, the sweet love story that is older than the sea,  
the simple truth about the love she brings to me?  
Where do I start?

With her first 'Hello!' she gave a meaning to this empty  
world of mine. There'd never be another love, another  
time! She came into my life and made the living fine.

She fills my heart! She fills my heart with very special  
things, with angel songs, with wild imaginings. She fills  
my soul with so much love that anywhere, I go, I'm  
never lonely. With her along, who could be lonely? I  
reach for her hand... it's always there.

How long does it last? Can love be measured by the  
hours of a day? I have no answers now but this much I  
can say: I know I'll need her till the stars all burn away.  
And she'll be there. (x2, different melody)
