Oh well I'm walking on the street just for a walk
rain pours I aint got noone to talk
the rain fills the road and all this town
except that mourmor there aint no other sound

WELL WELL WELL RAIN IN THE CITY AND WATER IN MY
SHOES
ISNT IT A PITY RAIN IN THE CITY
RAIN IN THE CITY AND WOES
ISNT IT A PITY RAIN ON SOME DAY AND WOES

Oh well the windows look so dark and almost blind
the raindrops hit my face but I dont mind
last night with her I say it was fine
but it's a love that's vanish by the time

WELL WELL WELL RAIN IN THE CITY AND WATER IN MY
SHOES
ISNT IT A PITY RAIN IN THE CITY
RAIN IN THE CITY AND WOES
ISNT IT A PITY RAIN ON SOME DAY AND WOES
Solo
