That's All I've Got To Say
Lir: I've had time to write a book
About the way you act and look,
But I haven't got a paragraph.
Words are always getting in my way.
Anyway, I love you.
That's all I have to tell you.
That's all I've got to say.
And now, I'd like to make a speech
About the love that touches each,
But stumbling, I would make you laugh.
I feel as though my tongue were made of clay.
Anyway, I love you.
That's all I have to tell you.
I'm not a man of poetry.
Music isn't one with me.
It runs from me.
It runs from me.
DUETLir: And I tried to write a symphony
Amalthea: Once when I was searching
Lir: But I lost the melody
Amalthea: Somewhere out of reach
Lir: Alas I only finished half
Amalthea: Far away
Lir: And finish I suppose I never may
Amalthea: In a place I could not find
Lir: Anyway, I love you
Amalthea: Nor heart obey
Lir: That's all I have to tell you
Amalthea: Now that I'm a woman
Lir: That's all I've got to say
Amalthea: Now I know they way
Lir: That's all I've got to say
Amalthea: Now I know they way
Both: That's all I've got to say
