Verse 1:

I don't care care  
where I go  
Nobody else does  
If I could fall  
and still not die  
It would be the worst thing

prechorus:

You know what you did to me  
And I just wish I could  
forget about you

Chorus:

If i could not die  
That would be a bad thing  
If I could not forget  
That would be a bad thing  
You & I  
We did not last  
But I know that you broke my heart  
and that's the worst thing.

Verse 2:

I can't believe  
How this went  
I sit here in  
my tears and sorrow  
I know I should just forget and move on  
if i could just move on  
(chorus)

Bridge:

And so i wait  
For you to come back  
but there is  
no chance  
I just hope that I learned  
What not to do in a relationship

(chorus)
