

Nerve Agents

"Share The Pain"

Visit "[Share The Pain](#)" on MotoLyrics.com

It's obvious your symptoms
You'd try to hide them
I'd like to help you man
But from you all I get are lies

REMEMBER... WE SHARE... THE PAIN!!!
Don't you ever forget!

You're running on empty
You are the punishing kind
Can't seem to pull it together?
How much longer before it takes you under!?

REMEMBER... WE SHARE... THE PAIN!!!
AND DON'T YOU EVER FORGET!!!

I'M ALWAYS HERE FOR YOU!
You've always been secret
About your dark appetites
But you know that I'm here man
So don't be afraid to open up

REMEBER... WE SHARE... THE PAIN... ALWAYS!!!
