lyrics by Vincent Bocchini

Beautiful oh so beautiful
You saw me and I saw you
Came to me you came to me
Approached me and helped me through

Your eyes were on me
And I was looking at you
All along you loved me
And now I need you

(Chorus)
You're with me You're beside me You're loving me
You're with me You're beside me You're loving me

Never thought I never Thought
That someone can be so lonely
Made me see oh You made me see
That this life is of giving
Wrap Your arms around me
Guide me in this race
And there's no mistake
You're with me in this place

(Chorus)

I know we'll be forever
An everlasting life together

(Chorus)
