"Use Somebody"

I've been roaming around
Always looking down at all I see
Painted faces, build the places I can't reach

You know that I could use somebody
You know that I could use somebody

Someone like you, and all you know, and how you
speak
Countless lovers under cover of the street

You know that I could use somebody
You know that I could use somebody

Someone like you, someone like you

Off in the night, while you live it up, I'm off to sleep
Waging wars to shape the poet and the beat

I hope it's gonna make you notice
Yeah I hope it's gonna make you notice

Someone like me,
Someone like me, yea
Someone like me, yeah
Someone like me, somebody

I'm ready now, I'm ready now
Use somebody

Uh, someone like you, somebody
Someone like you, somebody, somebody

I've been roaming around,
Always looking down at all I see
