Yo Ya Dealing With The X-Factor  
I've got everything i ever wanted and im going to get  
that back  
Oh! i know you hate X-Factor but you dont have to look  
at me like that  
I say you aint have to look at me like that

What you lookin at  
What you lookin at  
What you lookin at  
What you lookin at

You run arround pulling stunts like that  
You can never run my life like a punk like that  
I aint caught like that  
I couldn't run like that  
im keeping that bitch whos gonna take my hat  
Oh im knockin on your back when the day looks glim  
(Your Deeling with the X-Factor)

I spend a lot of money with the time walk whimps  
I remebered the cruel  
Remembered the Good times  
Remember the Urge and remember the Sunshine  
Its all going as a thing of the past  
The The fact remains that it goes real fast  
So while you sit around when things dont change  
I can sit here and Sing 'Hey Rocky Wait'

Ive got a cousin baby who like being good to me  
And i know it makes you mad because you cant see

Ive got everything i ever wanted and im gonna get it  
back  
Yo i know you hate X-Factor but you dont have to look at  
me like that  
I say you aint gotta look at me like that, or that

What ya lookin at  
What ya lookin at  
What ya lookin at
