I've been wasting all my time  
And I've been drinkin all that wine  
And I've been drinkin all that beer  
And I've been sheddin all these tears  
I can't go and you can't stay  
Your not gonna take me out that way  
Because you can't take me  
I said you can't take me  
No you can't take me anywhere, I don't wanna go  
I've been down this road before  
And I just can not care no more  
I can't see, what you can see  
I'm too busy bein me  
See I can't go and you can't stay  
Your not gonna take me out that way  
Because you can't take me  
I said you can't take me  
No you can't take me anywhere, I don't wanna go  
I don't need to save no face  
And I can't wait to leave this place  
I've been fooled by lesser things  
And I don't care what tomorrow brings  
See I can go and you can't stay  
Your not gonna take me out that way  
Because you can't take me  
I said you can't take me  
No you can't take me anywhere, I don't wanna go  
No you can't take me anywhere, I don't wanna go
