i've found a way to make you

i've found a way

a way to make you smile

i read bad poetry

into your machine

i save your messages

just to hear your voice.

you always listen carefully

to awkward rhymes.

you always say your name.

like i wouldn't know it's you,

at your most beautiful.

i've found a way to make you

i've found a way

a way to make you smile

at my most beautiful

i count your eyelashes secretly.

with every one, whisper i love you.

i let you sleep.

i know you're closed eye watching me,

listening.

i thought i saw a smile.

i've found a way to make you

i've found a way

a way to make you smile
