The Smiths)

Good times for a change

See, the luck I've had

Can make a good man

Turn bad

So please please please

Let me, let me, let me

Let me get what I want

This time

Haven't had a dream in a long time

See, the life I've had

Can make a good man bad

So for once in my life

Let me get what I want

Lord knows, it would be the first time

Lord knows, it would be the first time
