I broke the wing-mirror off your car last night
And then we got into a big fight
I didn't mean to do it
This time I really blew it
Tomorrow it'll be alright

I didn't think you'd be this bad
I'm waiting in the rain for a cab
I'm tired, this is boring
I'll call you in the morning
Tomorrow it'll be alright

This always happens
I'm so happy when you're sad
Wanna shoot me?
That's too bad
I tried to be sweet
I tried to surprise you
Happy when you're sad
Wanna shoot me?
That's too bad
I tried to be sweet
I tried to surprise you

I brought some flowers 'round to your door
You said you'd heard it all before
There's no point in pretending
There'll be no happy ending
Tomorrow it'll be alright

This always happens
I'm so happy when you're sad
Wanna shoot me?
That's too bad
I tried to be sweet
I tried to surprise you
Happy when you're sad
Wanna shoot me?
That's too bad
I tried to be sweet
I tried to surprise you

Well, I guess this is the end
I guess we can't be friends
I wrote this song for you
I tried to surprise you
