Well, my old missus said to me,  
Gonna raise a ruckus tonight,  
When she died, gonna set me free  
Gonna raise a ruckus tonight  
Oh, come on children, come along,  
While the moon is shining bright,  
Get on the boat,  
Down the river float,  
Gonna raise a ruckus tonight

Well there ain't no use in me working so hard  
Gonna raise a ruckus tonight,  
When I've got a woman in the rich folks' yard  
Gonna raise a ruckus tonight

Oh, come on children, come along,  
While the moon is shining bright,  
Get on the boat,  
Down the river float,  
Gonna raise a ruckus tonight

Well, every evening about half past eight  
Gonna raise a ruckus tonight,  
I'll hang my bucket on the rich folks' gate  
Gonna raise a ruckus tonight

Oh, come on children, come along,  
While the moon is shining bright,  
Get on the boat,  
Down the river float,  
Gonna raise a ruckus tonight

Well she brings me chicken and she brings me pie  
Gonna raise a ruckus tonight,  
I eat some of everything the rich folks buy  
Gonna raise a ruckus tonight

Oh, come on children, come along,  
While the moon is shining bright,  
Get on the boat,  
Down the river float,  
Gonna raise a ruckus tonight.
