You're better than the best
I'm lucky just to linger in your light
Cooler than the flip side of my pillow, that's right
Completely unaware
Nothing can compare to where you send me,
Let's me know that it's ok, yeah it's ok
And the moments where my good times start to fade

You make me smile like the sun
Fall out of bed, sing like a bird
Dizzy in my head, spin like a record
Crazy on a Sunday night
You make me dance like a fool
Forget how to breathe
Shine like gold, buzz like a bee
Just the thought of you can drive me wild
Ohh, you make me smile

Even when you're gone
Somehow you come along
Just like a flower poking through sidewalk crack and
just like that
You steal away the rain and just like that

You make me smile like the sun
Fall out of bed, sing like a bird
Dizzy in my head, spin like a record
Crazy on a Sunday night
You make me dance like a fool
Forget how to breathe
Shine like gold, buzz like a bee
Just the thought of you can drive me wild
Ohh, you make me smile

Don't know how I lived without you
Cuz everytime that I get around you
I see the best of me inside your eyes
You make me smile
You make me dance like a fool
Forget how to breathe
Shine like gold, buzz like a bee

Just the thought of you can drive me wild

You make me smile like the sun
Fall out of bed, sing like a bird
Dizzy in my head, spin like a record
Crazy on a Sunday night
You make me dance like a fool
Forget how to breathe
Shine like gold, buzz like a bee
Just the thought of you can drive me wild
Ohh, you make me smile
