1: Look here Liza listen to me  
Say youre not the girl you promised to be  
Didnt you say youd always be true  
You went out a runnin with Mr Brown  
I am the laughing stock of the town  
People say to never trust you.

ref. Throw up your hands maam Im a gonna go  
I was a good man while I had to go - So  
Goodbye Miss Liza Im gonna leave you  
Youll know when I go I was the feller with the do do do.  
Sing a little song travel along  
Leave me good day maam Im on my way  
Goodbye miss Liza Jane.

2: Give me here my gold watch and chain  
Give me my umbrella case it might rain  
Give me the clothes that I paid for too  
Check me in the trunk and hand me those things  
Give me back my gold diamond ring  
You can get Mr Brown to dress you all up new.
