1: Come you ladies and gentlemen listen to my song  
Im singin it right but you may think its wrong  
It may make you mad I dont mean no harm  
Its all about the renters on Penneys farm  
Hard times in the country down on Penneys farm.

2: Old George Penneys got a flattering mouth  
He moves you to the country in a little old house  
Holes in the windows cracks in the walls  
Hell work you all summer and starve you in the fall  
Hard times in the country down on Penneys farm.

3: You move out on Penneys farm  
Plant a little crop of baccho and a little crop of corn  
All year long you work that plot  
Till you get yourself a mortgage at the end of the block  
Hard times in the country down on Penneys farm.

4: Out in the fields you work all day  
You work way past nine but you get no pay  
They promise you meat and a little bit of lard  
Say its hard to be a renter on Penneys farm  
Hard times in the country down on Penneys farm.

5: Here George Penney come a rollin into town  
With a wagon load of peaches none of them sound  
Got to have his money or somebodys cheque  
Pay him for a bushel but you dont get a peck  
Hard times in the country down on Penneys farm.

6: George Penneys renters they come into town  
Their hands in their pockets and their heads hangin  
down  
They go in the store the merchant would say  
Your mortgage is due Im a waitin for my pay  
Hard times in the country down on Penneys farm.

7: So down in the pocket with a tremblin hand  
I cant pay you all but Ill pay what I can  
Then on the telephone the merchant makes a call  
Throw you on the chain gang with no pay at all

Hard times in the country down on Penneys farm.
