1: I married me a wife she gave me trouble all of my  
life  
She threw me out in the rain and the snow.  
Rain and snow, rain and snow  
She threw me out in the rain and the snow.

2: She came down the stair combing back her yellow  
hair Her cheeks were as red as the rose  
As the rose, as the rose,  
Her cheeks were as red as the rose.

3: Ive done all I can do for to try and get along with you  
I aint a gonna be treated this a way  
This a way, this a way.  
I aint a gonna be treated this a way.

4: I said all I can say now Ill soo be on my way  
Im going back to mamma next pay day  
Next pay day, next pay day.  
Im going back to mamma next pay day.

5: Repeat first verse.
