We're driving slow through the snow on 5th Avenue
And right now radio's all that we can hear
That we ain't talk since we left, it's so over due
It's cold outside but between us

The world slows down
But my heart beats fast right now
I know this is the part
Where the end starts

I can't take it any longer
Thought that we were stronger
All we do is linger
Slipping through our fingers
I don't wanna try now
All that's left's goodbye to
Find a way that I can tell you
I hate this part right here
I hate this part right here
I just can't take your tears
I hate this part right here
[I Hate This Part Right Here Lyrics On]
Everyday, 7 takes of the same old scene
Seems we're bound by the laws of the same routine
Gotta talk to you now 'fore we go to sleep
But will we sleep once I tell you

The world (the world) slows down (slows down)
But my heart beats fast right now
I know (i know) this is the part
Where the end starts

I can't take it any longer
Thought that we were stronger
All we do is linger
Slipping through our fingers
I don't wanna try now
All that's left's goodbye to
Find a way that I can tell you
I hate this part right here
I hate this part right here

I just can't take your tears
I hate this part right here

I know you'll ask me to hold on
And carry on like nothing's wrong
But there is no more time for lies
'Cause I see sunset in your eyes

I can't take it any longer
Thought that we were stronger
All we do is linger
Slipping through our fingers
I don't wanna try now
All that's left's goodbye to
Find a way that I can tell you

That I gotta do it,
I gotta do it,
I gotta do it
I hate this part
I gotta do it,
I gotta do it,
I gotta do it

I hate this part right here
I just can't take these tears
I hate this part right here !!!!
