Chorus:

We can go have fun, make it back by one  
We can do whatever you want to do  
We can go to a theme park, go and have a fun mark  
Maybe both, do you want to?  
We can go to the movies, have fun with the Newbies  
We'll be back by three  
Go eat at a restaurant, Look all up flaunt  
It's all on me

Lil Angel (Guy)

Boy you know I like what we are doin here  
We do what we want to and we have no fear  
We goin to the hot places like Six Flags  
I ain't neva been to no place like that  
I've been here, there well not everywhere,  
I guess I'm kinda glad that I stayed right here  
It's fun being around you doing fun stuff  
Sometimes it just like it ain't neva enough  
Let's head to the movies and see what we wanted  
Taunt the taunted, and flaunt to the flaunted  
This is something I knew we could be  
Cuz he'd always say (Angel it's all on me!!)

Chorus

Lil Sweetz (Nasheed)

That's sweet of you, to do that for me  
(I like you that much Sweetz come on now can't you see?)  
I see it now, but what about your lady  
She see's you with me she'll be acting all crazy  
Boo, I wanna be with you, all the time  
(Let's make it official and then your all mine)  
Your not talking marriage, just a girl friend thing right  
(Of course, I wouldn't tie the knot unless we was tight)  
But we are and I can see you know that too  
Then he said (what would life be without you?)  
As I felt my heart melt, I knew he'd do it all for me  
(I better get you home or your dad's gonna kill me!!)

## Chorus 2x's

Nasheed (Guy)

Me and Sweetz got something going on between us  
When we get together can't nobody see us  
(Angel and me, well forever be together)  
(With the stuff I do it'll last forever)  
Sweetz is someone I could do something for  
She'd appreciate it and she wouldn't ask for more  
(Angel's cool too, that my girl right there)  
(She's always lookin' good, eyes, lips, cheeks, hair)  
Sweetz is always doing something for me  
Complimenting, and she's always for real to me  
(That's how Angel is to, she can be real cool)  
(With her looks, she'll make you wanna drowl)  
Sweetz IS like an angel, she could be heaven and skies  
And she real truthful to me, she wouldn't tell no lies  
(Angel may not be an angel, but I can see she's real  
sweet)  
(We'll be dance and movin, getting down to the beat)  
Oh it's like that now, Sweetz is good at that too  
She'll break it down to make you wanna say  
oooooooooooo!  
(Well, Angel can sing and rap, act or tap)  
(But if I do the wrong thing, I could get a good slap)
