Featuring Wale & French Montana

(Hook : Wale)

Girl I wanna fuck ya friend, friend, friend
And you can still be my girlfriend, friend, friend
And maybe you can even join in, in, in
But I really wanna fuck ya friend
Girl I wanna fuck ya friend
Girl I wanna fuck ya friend

(Verse 1)

Damn that's my baby girl, but I keep thinking about her
home girl
I wonder if shawty let me f---, a butt bigger than my
cheek butt
I'm Trey Songz, I can't get her out of my head
I wanna hit it, and my chick dead
I wanna hit it ,and my chick gone
I'ma tryna, tryna fuck them all
I wanna hit it while my chick watching
Then take both of them to shopping
She nasty, she right to get it in
She grew up listening to Lil Kim

(Hook : Wale)

Girl I wanna fuck ya friend, friend, friend
And you can still be my girlfriend, friend, friend
And maybe you can even join in, in, in
But I really wanna fuck ya friend
Girl I wanna fuck ya friend
Girl I wanna fuck ya friend

(Verse 2)

5 shots of this straight dumb
I need 5 wives like Akon
I wanna fuck your friend and my friend wanna fuck you
girl
Ain't no love if the homies can't have none
Ain't no fun if the fucker only got one
Couple bad bad tell my homie grab one
Been in love with them phone calls

For shawty you can be my pom pom
Porn star, got the homie fiending for a urge
With a couple white bitches like Kobe
She was acting all achy till he seen the bitch
Thought I was in love, till I seen her friend

(Hook : Wale)

Girl I wanna fuck ya friend, friend, friend
And you can still be my girlfriend, friend, friend
And maybe you can even join in, in, in
But I really wanna fuck ya friend
Girl I wanna fuck ya friend
Girl I wanna fuck ya friend

(Verse 3)

Good evening misses, it's nice to meet you misses
We in agreement that female got the sweetest kisses
As I proceed to pimpin' I carefully eat the cookie
Been beating it up a minute, that's screaming it's being
bully
You got my heart, I promise you got my soul
So say goodbye to your promise nobody will ever know
I promise to promise you when I promise you
They saying that I promise you is honoring your goal
Say if you wanna know, I wanna know you tryin' to move
Like you love the dollo but I like vaginas by the 2's
Maybe you, maybe her, tryin' to see my lady work
She sleeping at her house, you at me sleeping in my
favorite shirt

(Hook : Wale)

Girl I wanna fuck ya friend, friend, friend
And you can still be my girlfriend, friend, friend
And maybe you can even join in, in, in
But I really wanna fuck ya friend
Girl I wanna fuck ya friend
Girl I wanna fuck ya friend
