Where my real niggas that's gonn ride for me?
Where my fine freaks that's gonna ride for me?
Where my real niggas that's gonn ride for me?
Where my fine freaks that's gonna ride for me?
Ain't nothing more important than the mula!
Ain't nothing more important than the mula!
Hallelujah, hallelujah, praise god, hallelujah

Used to be broke now I'm counting up all this mula
Oh god it's good amen, hallelujah
Don't try to take it from me, got thisâ€¦
I'm talking hollow tip bullets out of the buga, bang bang
Oh I catch niggas when they sleeping freddie kruger
Oh niggas see me, they freeze up, I'm like medusa
Oh I'm the realest out, don't let these rappers fool you
I'm mad max inside â€¦straight shooter
My dick long can't measure it with a ruler
Pinky the porno star fall in love after I screw her
Bad bitches in perfection dancing for the mula
I make it rain, ripping rubber bands off the mula
Mula, me and mexicans getting mula
Didn't start overcharging me and my new connect from
cuba
I'm the new tuck, and I'm diddy bop the new scooter
If you wanna see some real niggas when I make em
scream hallelujah, mula

Ain't nothing more important than the mula!
Ain't nothing more important than the mula!
Hallelujah, hallelujah, praise god, hallelujah
Ain't nothing more important than the mula!
Ain't nothing more important than the mula!
Hallelujah, hallelujah, praise god, hallelujah

Ain't nothing more important as mula, you disrespect
then I shoot you
I'm getting money and I'm blowing money at the same
time like I'm future
I was tryina get a little cooler, so I went and seen my
jeweler
I gave him 60 racks from my pocket, and told him put it

all on my mula
I'm a real nigga, hallelujah, let's say it again hallelujah
I have a 50 cal with a triangle nose, that will have you
miss in bermuda
I get sun tans in aruba, I get spars done in vancouver
I get phone calls bout mula, what's the form 1, grand
puba
Now tell me something bout y'all niggas, how y'all
niggas got large piles
But I see you in clubs looking dead broke
How you cover them large lies
Keep it real you don't ball out
Y'all niggas got 9 to 5
Now do me a favor, run along, I need a large shape
and â€¦
And you can keep the change cause motherfucker I got
mula
It's murder team up in this bitch and yeah we getting
mula
I'm married to the game and I be screaming hallelujah
She call me papi chulo so I call her mami chula, my
mula

Ain't nothing more important than the mula!
Ain't nothing more important than the mula!
Hallelujah, hallelujah, praise god, hallelujah
Ain't nothing more important than the mula!
Ain't nothing more important than the mula!
Hallelujah, hallelujah, praise god, hallelujah.
