I ride for my niggas, dawg, I ride for my niggas
I ride for my niggas, dawg, I ride for my niggas
Stay schemin, niggas tryina get at me, dawg
I ride for my niggas,
Stay schemin, niggas tryina get at me, dawg
I ride for my niggas,
I'm out early, gotta go to court
Thinking, how the fuck I get caught
Fuck it, got that money for that lawyer though
He good at what he do, what you think he my lawyer for
They gave my nigga brown 18, they try and get my
nigga a life
Caught a body when I was 18, I know how it feel to take
a life
I'm with your wifey at the wu
She scared she hoping we don't run into you
She wanna tell me secrets by the nigga
I wanna hear so I can talk about that nigga
for a couple hams, that's my nigga, I hate to
have to be him, damn
Bitch you write my lyrics with that pen
Bitch you write my lyrics with that pen, nah
Well and ain't
And nobody gonna get shot, that's fake beef
When I reach up for that weapon
These niggas reaching for they phone, they calling
detectives
Stay schemin, niggas tryina get at me, dawg
I ride for my niggas,
Stay schemin, niggas tryina get at me, dawg
I ride for my niggas,
Damn, life so short, fuck it, I don't wanna go to
court
Got a budget full of lawyers though
I'm on the run for the month
I'm in the pay 200 hundred for
My little niggas thugging even got me paranoid
I'm getting money that's in any nigga category
Double M, out in California
I ride for my niggas, dawg, I ride for my niggas
I ride for my niggas, dawg, I ride for my niggas
Stay schemin, niggas tryina get at me, dawg

I ride for my niggas,
Stay schemin, niggas tryina get at me, dawg
I ride for my niggas,
It bothers me when the Gods get to acting like the
broads
Guess every team doesn't come complete with
niggas like ours
Thats why I see no need to compete with niggas like
y'all
I just ask them when you see me you speak up nigga
thats all
Don't be ducking like you never wanted nothing
Its feeling like rap changed, there was a time it was
rugged
Back when if a nigga reached it was for the weapon
Nowadays niggas reach just to sell they record
Spaghetti bolognese in Appolo lounge
Me and my G from DC thats how I roll around
Might look light, but we heavy though
You think Drake will pull some shit like that you never
know
Million dollar meetings in appollo lounge
Me and my man all Oliver North thats how I roll around
Shawty wanna tell me secrets 'bout a rap nigga
I tell a bitch its more attractive when you hold it down
Kobe 'bout to lose a hundred fifty M's
Kobe my nigga I hate it, had to be him
Bitch you wasn't with me shooting in the gym
(Bitch you wasn't with me shooting in the gym)
Tell Lucien I said f-ck it I'm tearing holes in my
budget
Bag her like we in Publix and take her ass out in public
Ordered it a filet tell her butterfly she'll love it
She used to soda and nuggets she really just out here
thuggin'
Im just hittin my pinnacle you and pussy identical
You like the f-ckin finish line we can't wait to run
into you
But let me get my mind of that
Young rich muthaf-cker getting mine off rap
with my niggas
I ride for my niggas, dawg, I ride for my niggas
I ride for my niggas, dawg, I ride for my niggas
Stay schemin, niggas tryina get at me, dawg
I ride for my niggas,
Stay schemin, niggas tryina get at me, dawg
I ride for my niggas,
From the coupe to that ghost dawg
Pigeons on the roof like ghosts, dawg
The white howard on the post dawg
My niggas got the power to do the post, dawg

Watch the body temp when you hit the head
Niggas lost mills trying to beat the feds
10 grams of my last 2 50 now
big ass crib 2 50 down, down
Gave my nigga max 75
In the game my nigga pay the house another 30
fuck it, got me thinking like I'm 75
Damn, nigga ain't even seen 30
I ride for my niggas, dawg, I ride for my niggas
I ride for my niggas, dawg, I ride for my niggas
Stay schemin, niggas tryina get at me, dawg
I ride for my niggas,
Stay schemin, niggas tryina get at me, dawg
I ride for my niggas,
